Dossier and Card Files

Dossiers & McBee Cards - Now being microfilmed in BR/CD by personnel from your Division. Scheduled date of completion, approximately 1 June 1954.

2. The "name to document" reference cards, identified in the Register as File #2, covering the years 1949 and 1950, have already been sent to you and should be retained. The File #2 cards for the years 1951 and 1952 are being shipped on a continuing basis, and the complete file totalling approximately 413,000 cards should arrive by September 1954.

3. A file identified as the FBIS card file consisting of approximately 52,000 cards which was shipped 28 January 1952 is no longer of value and may be destroyed.

4. Should there be any questions on any of the items listed, please call Miss [REDACTED], ext. 2076
